Protocol of Intent

on cooperation between State Fire Academy of EMERCOM of Russia and International Fire Academy of Switzerland

Zurich

April, 20, 2017

Federal State Educational Institution of Higher Education “State Fire Academy of the Ministry of the Russian Federation for Civil Defence, Emergencies and Elimination of Consequences of Natural Disasters” and International Fire Academy (IFA), hereinafter referred to as Parties, declare their general intent to promote mutually beneficial cooperation in the field of fire safety, emergency prevention and mitigation.

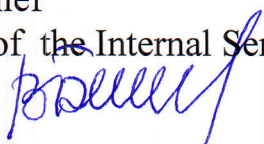

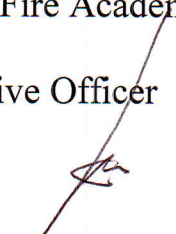

For these purposes State Fire Academy of EMERCOM of Russia and International Fire Academy intend to extend the bilateral dialogue as well as to initiate and plan joint activities for exchanging advanced experience in the following directions:

- experience exchange in the sphere of staff training;
- organizing joint international workshops, conferences, symposia;
- experience exchange among cadets, officers, students and teaching staff as well;
- implementation of fire prevention propagation, explanatory and educational activity in the field of fire safety among cadets, officers and students, and for this purpose preparation and spread of information about fires and methods to protect against them;
- interaction in the sphere of grants and funds attraction from international public organizations to conduct joint research;
- organization and conduction of joint research, research works on the topics agreed in advance which present interest for both Parties and publication of results;
- participation in joint projects on training specialists in the field of fire safety, civil defense, protection of population and territories;
- organization of international internship for cadets, officers, students and teaching staff.

The implementation of particular activities on the stated directions will be enabled depending on financial and other resources of the Parties.

The present Protocol on Intent is not an international treaty, it does not create rights and obligations regulated by the International Law.

The Protocol on Intent is signed in Zurich on April, 20, 2017 in duplicate, both in Russian and English.

On behalf of State Fire Academy First Deputy Chief Major General of the Internal Service Basov V. A. 	On behalf of International Fire Academy Chief Executive Officer Urs Kummer
